

2016 Massachusetts Geography Bee Winner: Saketh Jonnalagadda

The Massachusetts Geography Bee was held on Friday April 1st at Elms College in Chicopee. After competing with 100 Massachusetts school Geo Bee winners, the 2016 State Geography Bee champion is Saketh Jonnalagadda, an 8th grader from Stony Brook Middle School in Westford, MA (in the middle of the photo, with the two runners up). Congratulations to Saketh and we wish him all the very best as he goes to Washington DC in May to compete in the National Geography Bee.
